

NFL POWER RANKINGS

WEEK 8: LUKE LAPINSKI

RANK	TEAM	COMMENT
1	PHILADELPHIA	Carson Wentz seems to get better each week.
2	NEW ENGLAND	Oh good, the Patriots are back at the top. What a shocking turn of events.
3	PITTSBURGH	For the latest Steelers news, check Martavis Bryant's Instagram page.
4	KANSAS CITY	So much for being the NFL's only dominant team.
5	SEATTLE	Have yet to look impressive... yet here they are in the top five.
6	LA RAMS	Lowest-scoring team in 2016 (14.0 points per game), highest-scoring team in 2017 (30.3).
7	MINNESOTA	Raise your hand if you expected Case Keenum to quarterback a first place team this season. Liar.
8	NEW ORLEANS	Only the Eagles (five in a row) are on a longer winning streak than the Saints (four) right now.
9	HOUSTON	DeShaun Watson against the Seahawks D this week. Sign me up.
10	CAROLINA	Cam Newton has been held without a touchdown pass in three of the Panthers' seven games.
11	DALLAS	Having a hard time? Just schedule a game against the 49ers!
12	ATLANTA	So much for getting a little Super Bowl revenge on Sunday Night Football.
13	BUFFALO	The most under-the-radar 4-2 start in the league. Well, except for the Dolphins.
14	JACKSONVILLE	Nobody's allowing less points per game (15.7) than the Jags. Let that sink in.
15	DENVER	Averaging five points per game over the last two weeks.
16	MIAMI	It's Matt Moore time. Get excited.
17	WASHINGTON	Already 0-2 against the Eagles this season. That's not helping.
18	GREEN BAY	Hard to take them seriously without Aaron Rodgers.
19	OAKLAND	May have saved their season with that Thursday night rally over the Chiefs.
20	DETROIT	Winnable games against the Rodgers-less Packers, Browns and Bears coming up after this week's tilt with Pittsburgh.
21	TENNESSEE	A 12-9 overtime win over the Browns is as close to a loss as you can get.
22	LA CHARGERS	Winners of three straight - and nearly won three of their first four too.
23	ARIZONA	They traveled 5,000 miles for that?
24	BALTIMORE	1-4 against teams outside of Ohio probably won't get it done.
25	TAMPA BAY	Hard Knocks was more entertaining than the actual season in Tampa Bay.
26	CINCINNATI	Starting to think Vontaze Burfict and the Steelers don't like each other.
27	NY JETS	The Jets are just a couple plays away from being 5-2. Fascinating.
28	CHICAGO	Trubisky completed four passes and they won. Now that's efficiency.
29	NY GIANTS	Already five games out of first in the NFC East.
30	INDIANAPOLIS	Only allowing a league-worst 31.7 points per game. Can't imagine what the problem is here.
31	SAN FRANCISCO	Well... at least they didn't lose by three this week?
32	CLEVELAND	Shouldn't we be applauding DeShone Kizer for finding somewhere to party at 1:30 AM in Cleveland?
