

# NFL POWER RANKINGS

Week 15 Dave Burns

RANK	TEAM	COMMENT
1	Steelers	Emotional tribute to Shazier during and after the game.
2	Patriots	Can't wait for Steelers game Sunday. Just don't ask coach Buzzkill if his team was caught looking ahead.
3	Vikings	Probably the new favorite in the NFC with the Wentz injury
4	Eagles	Hard to drop them after a win but after the Wentz injury it's hard not to.
5	Panthers	Big win vs. Minnesota. Could be a dangerous team in January.
6	Saints	Close with the Jets, Falcons and Bucs. Might win out.
7	Rams	Can hang with the best teams in the NFC. Had the lead late vs. Philly but couldn't close.
8	Falcons	Three NFC South teams in the top eight for me.
9	Chargers	Got hot when it counts the most. Huge game vs. KC on Saturday.
10	Jags	I love it when somebody out-physicals Seattle.
11	Seahawks	Classless way to end that game. The bully got bullied and they didn't know how to respond.
12	Ravens	Right now on the outside looking in but I think they're better than the Bills.
13	Lions	Ho-hum. Another 4th quarter rally for Stafford.
14	Packers	Like Matt Damon in Rounders. They're hanging around.
15	Chiefs	Their defense and run game finally came to play vs. Raiders.
16	Titans	There was a reason they were called the "most unconvincing contending team"
17	Bills	Being an Arizona native I always love watching the games played in a blizzard.
18	Cowboys	Can they hang around long enough for Elliot to make a difference?
19	Raiders	Perhaps the winner in the category of 2017's Most Disappointing Team
20	Cardinals	Two Keim-time specials, Tramon Williams and Josh Bynes look like keepers.
21	Dolphins	Cutler's first win vs. the Patriots.
22	49ers	Jimmy G 2-0 as a starter with the 49ers. Ugh.
23	Redskins	Falling apart just in time for the Cards visit on Sunday.
24	Bengals	Marvin Lewis was at a loss for words after Bears game. Might not be the only thing he loses.
25	Jets	Emotional end to the season for Josh McCown
26	Broncos	Beat up on the Jets
27	Texans	Been a rough year for the Texans. Savage concussion fallout makes it even tougher.
28	Bears	Good game for Trubiksy. Great game for Jordan Howard.
29	Bucs	Koetter's seat is scalding hot right now.
30	Colts	Pagano counting down the days. Will he join the Cards staff in some capacity?
31	Giants	The old school helmets were the only thing to love about them on Sunday.
32	Browns	This (fingers an inch apart) close to their first win.
