

NFL POWER POLL

PRESEASON - GOING INTO WEEK 1

Rank	Team	Comment
1	Cardinals	The most complete roster in the NFL
2	Patriots	Perpetual team to beat in the AFC
3	Packers	Jordy Nelson is back and that's a big deal
4	Seahawks	Shaky O-Line only thing keeping them from top spot
5	Steelers	Suspensions only thing keeping them from top spot
6	Panthers	Had to grade them down for the Norman thing.
7	Bengals	Always really really good, seldom great
8	Raiders	I am high...on the Raiders apparently.
9	Vikings	Not a Bradford fan but I think he's a good fit for otherwise talented roster
10	Broncos	Prove me wrong Trevor Siemian
11	Chiefs	Prove me wrong Alex Smith.
12	Giants	I actually think they run away with the NFC East
13	Ravens	They almost always find a way to be good
14	Jaguars	I'm a believer
15	Jets	Nowhere near good enough to top Patriots but wildcard possible
16	Cowboys	Romo will be in and out all year. O-line and run game keeps them from falling further
17	Texans	Brock has to be better than what they had last year. Right?
18	Colts	Protection issues holding this team back
19	Redskins	Some think they'll be better than last year. Can't see it.
20	Buccaneers	Winston will open some eyes this year
21	Saints	Hard to pick Brees this low, team may surprise.
22	Lions	They're going to be decent. Played better in second half
23	Chargers	The return of Whiz will help.
24	Falcons	Can Freeney help the pass rush?
25	Bills	The ratio of healthy bodies to Rex Ryan bluster is way out of whack here
26	Dolphins	Tannehill hasn't shown much up to this point
27	Titans	A lot of work to do but their run game was spectacular in the preseason
28	Bears	Jay Cutler and Cardinals leftover offensive linemen. What could go wrong?
29	Rams	July 9th is usually Jeff Fisher Day. This year it will be May 11th.
30	Eagles	Carson Wentz will learn under fire. Heavy fire.
31	49ers	Blaine Gabbert. That is all.
32	Browns	Yeah, no.
