

**NFL POWER POLL****DAVE BURNS**

WEEK 2

Rank	Team	Comment
1	Steelers	Owners of the most impressive win of week one
2	Patriots	The GOAT among coaches showed once again why he's so good
3	Packers	Wanted to move them up but top two were too strong
4	Cardinals	Disappointing loss but I still think their situation is better than Seattle
5	Seahawks	They won, give them credit for that. But O-Line issues and Wilson threw way too much
6	Panthers	Tough opener, they'll be fine
7	Broncos	Have the Broncos found the formula for being great without a great QB
8	Raiders	Going to keep them here for now. Jack Del Rio's guts demands it.
9	Bengals	A win against a quality opponent. Dalton to Green is money.
10	Chiefs	A team not built to come from behind did it in impressive fashion.
11	Giants	Giants new look defense stifled Elliot and that O-Line on the road. Impressed.
12	Texans	So far so good for Brock. He's going to like throwing to Will Fuller
13	Buccaneers	This could be a leap year for Jameis. Dangerous game for Cardinals.
14	Jets	Red Zone issues and missed kicks hurt. Gave a talented team all they could handle.
15	Vikings	Probably shouldn't drop them this low but I wasn't impressed.
16	Ravens	A Mike Wallace sighting? That defense was too much for Bills to handle.
17	Jags	Still buying this stock. Gave a good team all they could handle to the end.
18	Lions	Stafford impressed. Jim Bob Cooter making a difference with that offense.
19	Saints	They're always going to score a ton of points. Can they keep from giving up a bunch.
20	Cowboys	No Romo matters. Plus run game wasn't there.
21	Colts	Luck found his rhythm. Now about that defense....
22	Redskins	Against the good teams you can see they're just not that good.
23	Chargers	Genuinely impressed with how they started. The Keenan Allen injury really hurts.
24	Dolphins	Too many wasted opportunities to get a big win on the road
25	Eagles	Let's see Wentz vs. anybody but the Browns.
26	Falcons	That's a lot of points to give up at home.
27	Titans	That was a tough defense they played. Think they're going to move up this list.
28	Bills	By December the only thing that will be hot in Buffalo is the seat under Rex's butt
29	Bears	Very blah team.
30	49ers	Not going to give them a ton of credit. Rams are awful.
31	Rams	Jared Goff must be flat-out awful right now if Case Keenum is better than him.
32	Browns	Yeah, no.
