

## NFL POWER POLL

PRESEASON - GOING INTO WEEK 1

Rank	Team	Comment
1	New England Patriots	Ignore the next four weeks. Tom Brady comes back and this team is scary.
2	Arizona Cardinals	Most skilled team in the NFL & no it's not a homer pick. ( I didn't grow up here)
3	Green Bay Packers	Jordy Nelson is back and GB's offense is lethal.
4	Pittsburgh Steelers	Healthy Big Ben this team is a contender. This team/Patriots are my favorites from AFC.
5	Seattle Seahawks	Russell Wilson and a strong defense return. Still concerned with O-line.
6	Carolina Panthers	Hard to repeat what they had last year, but Cam Newton will continue to shine in Carolina.
7	Cincinnati Bengals	Andy Dalton is back and healthy, this team was a true contender last season w/ him.
8	Houston Texans	Buying into Brock and this offense combined with an already stout defense. I like this team a lot.
9	KC Chiefs	KC wins the division this year, with Denver taking a step back w/o a steady QB.
10	Denver Broncos	Their defense keeps them in it, but they lost key pieces in the offseason and offensively will not be very good.
11	Oakland Raiders	Derek Carr and this offense back together will improve off of last season. A sleep to win the division.
12	Minnesota Vikings	Without Teddy this team is a ? Going into the season. Still a good defense and AP will make this team average.
13	Indianapolis Colts	Can Andrew Luck come back to elite level? I think so, but that O-line needs to be much better.
14	Washington Redskins	With Tony Romo out the road to win the division got easier again for the Redskins.
15	NY Jets	Fitzpatrick is back and upgrade at RB and another year of chemistry on offense should help this team.
16	NY Giants	NY and Washington will battle it out to win this division. Slight edge to
17	Jacksonville Jaguars	Big fan of Bortles. I think another year together with some added talent of defense. This team is interesting to me.
18	New Orleans Saints	They have Drew Brees and addition of Fleener but their defense will struggle. That's why they are in bottom half for me.
19	Dallas Cowboys	Not hopping on the Dak Prescott train after pre-season. I am waiting to see, they could move up for me if any of the hype is true.
20	Atlanta Falcons	The perennial start off well and fall off team. Not buying into them.
21	Philadelphia Eagles	Coaching changes and rookie QB, this is a work in progress team.
22	Buffalo Bills	Tyrod Taylor helped this team to 8-8 last season. I see much of the same if not 7-9 this season.
23	Tennessee Titans	They will be better than last year, I think...
24	Tampa Bay Bucs	Famous Jameis will be interesting and Mike Evans fun to watch. Wait and see here, I am at least intrigued.
25	LA Rams	Maybe it is Hard Knocks, or maybe just their offense that scares me. This team is due for a 6-10 this season.
26	Miami Dolphins	After hyping Ryan Tannehill last season, I've finally come to my senses. He isn't that good and neither is this team.
27	Chicago Bears	Jay Cutler is still in Chicago and the defense is no where near the caliber it needs to be. That's about all you need to know.
28	Detroit Lions	No more Megatron? This team was already bad, now worse.
29	Baltimore Ravens	I am not buying into the bounce back year for this team. The talent isn't there. But, could be wrong here...
30	San Diego Chargers	Phillip River is not good. That's about all you need to know. But draft him in Fantasy Football... good value.
31	San Francisco 49'ers	This team is bad, really bad. Also... Blaine Gabbert? Okay.
32	Cleveland Browns	It's the Browns, not much else I need to say here. Oh... RG3 too.
