

**NFL POWER POLL**

**NAME: Paige Dimakos**

**WEEK 2**

Rank	Team	Comment
1	New England	Beat AZ on the road w/o Gronk and Brady. Go Away Boston.
2	Green Bay Packers	Aaron Rodgers looked great and Eddie Lacy can actually run again.
3	Seattle Seahawks	Russell Wilson has the most game-winning drives (inc. playoffs) by any QB in the NFL since 2012
4	Pittsburgh Steelers	This is your reminder than Antonio Brown is amazing and Big Ben is elite.
5	Arizona Cardinals	This is still a good football team, they lost to the Patriots. It's okay, Cardinals fans.
6	Denver Broncos	That defense had no issue getting to Cam Newton, AGAIN. Maybe I overestimated how big of step back they take this season.
7	Carolina Panthers	Cam Newton and the Panthers will be fine, they'll get right against the Niners this week.
8	Houston Texans	I like this offense. Maybe more than most. Lamar Miller was one of two backs to rush for 100 yards in Week 1. Good sign for them.
9	Cincinnati Bengals	Hello AJ Green. Green and Brown this week with PIT/CIN really looking forward to that show.
10	Oakland Raiders	I love this team. Also I love a coach that troll on Twitter. Here's to you, Jack Del Rio.
11	Minnesota Vikings	Hello AP? Are you there? Still one easily w/o a big AP game. (Come back please, AP... - Paige's Fantasy Team)
12	Tampa Bay Bucs	Famous Jameis can sling that ball to Mike Evans. Four TD's in one game? But... it was the Falcons.
13	KC Chiefs	Nice comeback there, KC. I'm so not enthused with you though...
14	NY Giants	They didn't mismanage the clock? Congrats, Giants. Hope that defense is ready for the Saints.
15	NY Jets	What happened to Revis Island? AJ Green happened I guess. They'll always stay middle of the pack with this squad.
16	Baltimore Ravens	Okay, they might be better than I thought and by better I mean not awful.
17	Indianapolis Colts	Andrew Luck was good in the 2nd half. Their defense is NOT good. Lions? Really.
18	Washington Redskins	Kirk Cousins looked like a JV quarterback compared to Big Ben. He's just mediocre and so are the Redskins.
19	Dallas Cowboys	Dak wasn't so bad. But the Cowboys are going to be average w/o Tony. Sorry Boys.
20	Jacksonville Jaguars	Really scared the ole Packers fans. Looks like they will be a pretty good football team.
21	Detroit Lions	Hmmm? The Lions offense looks better without Calvin Johnson. Makes no sense.
22	New Orleans Saints	Their offense is good, their defense is not. Sounds about right.
23	Philadelphia Eagles	Carson Wentz looked good. But he played Cleveland and now the Bears... so we won't really know much yet.
24	Atlanta Falcons	Their defense was torched and their offense couldn't keep up. I think that will be the theme of this year.
25	San Diego Chargers	Really San Diego? I'm sorry about Keenan Allen.
26	Miami Dolphins	I was counting on you, Miami. But Wilson did Wilson. Things. Dline looked much improved but their offense was stagnant.
27	Tennessee	This team is so blah.
28	Buffalo Bills	People shouldn't have to pay to watch this boring version of football. Yikes. Come on Ryan Brothers.
29	Chicago Bears	Pains me to say it, but they are going to be awful. (Sorry Dad)
30	San Fran	I know they won big, but did you see that LA offense?
31	LA Rams	Maybe it's time to go back to St. Louis? -Said no one ever
32	Cleveland Browns	Pretty sure Alabama could beat this team.
