

**NFL POWER POLL**

*Paige Dimakos*

WEEK 3

Rank	Team	Comment
1	Pittsburgh Steelers	Looking like the SB contender I thought they would be. One more week and Le'veon is back too.
2	New England	Only reason they aren't number one is because Jacoby Brissett is starting.
3	Arizona Cardinals	a good ole fashion butt kicking to get things back on track. What was that about Jameis?
4	Denver Broncos	two big wins. Andrew Luck and Cam Newton taken down. Maybe they won't drop off.
5	Carolina Panthers	they rebound nicely with a big win, but their defense gave up a lot of points.. To the Niners.
6	Minnesota Vikings	Big win over the Pack but I'm not ready to put them top 5.
7	GB Packers	Rodgers looked like Cutler during that Vikings game, they rebound nicely this week though.
8	Houston Texans	I like this team a lot. Seems they can be a real contender in the AFC.
9	NY Giants	I am hesitant to put them in my top 10 but they are 2-0. That division is not good.
10	Seattle Seahawks	I want to put them lower after that awful performance. 3 POINTS?? Russell Wilson breaks his streak of 17 straight games with a TD. I think this team is in for some trouble.
11	Cincinnati Bengals	I still like Cincy, just not in my top 10.
12	KC Chiefs	This team is so blah. When is Jamal Charles coming back?
13	Baltimore Ravens	Almost lost to Cleveland. But are somehow 2-0. This team is weird.
14	Oakland Raiders	I they will be in a lot of shoot outs this year. They lost this one, but they will win most. I am still high on this team.
15	NY Jets	Matt Forte is still Matt and Fitz isn't bad. In fact, he's kinda good.
16	Philadelphia Eagles	I know they are 2-0 but they beat up on the bad to get there. I'm wait and see here with rookie Wentz. Also, dude learn to slide...
17	Colts	This is the last week I am giving them before they drop out of top 20. I'm counting on you Andrew Luck.
18	Cowboys	This division is going to beat each other up. Not impressed with win over Washington but they play the Bears this week. SO... we know what will happen.
19	Atlanta Falcons	I know I have them below the team that they just beat but I believe in oakland. I don't believe in this team.
20	San Diego Chargers	Rivers throws for four TD's and I still don't buy in. Sounds about right.
21	Titans	Average football team. Really messed up my pick em this week.
22	San Fran	Meh. One win one loss. They can score points and I don't think they are as bad as we thought.
23	Detroit Lions	Just be worse than the Bears, I'm begging you Lions?
24	TB Bucs	Hit the Cardinals at the wrong time. Jameis-Evans combo rebounds against LA this week.
25	Washington Redskins	Can't beat the Tony Romo less Cowboys? Not a good sign for things to come in this division.
26	Miami	Everytime Dolphins fan get angry about I annehill... just think it could always be worse. See Chicago
27	Jacksonville Jaguars	Just killed by the Chargers? I liked you... but I don't know if I can now.
28	LA Rams	I don't care that they beat Seattle. This team is still not good.
29	NO Saints	they STILL have no defense.
30	Buffalo Bills	Rex is about to get fired. It's happening Buffalo.
31	Cleveland Browns	How did they manage to lose that one? It was their only chance.
32	Chicago Bears	This team is a steaming pile of garbage. SO MUCH GARBAGE.
