

NFL POWER POLL

NAME: DOUG FRANZ

WEEK 2

Rank	Team	Comment
1	NE	Replace the greatest ever, the best in the game, the running back & 4 of 5 on the O-line; win on the road anyway
2	GB	Good road win but didn't look great
3	PIT	Now that we're warmed up Bengals come to town
4	DEN	Take your time offense the defense can handle Newton & Luck back-to-back
5	SEA	They won & Arizona didn't but will boost their confidence against LA
6	CAR	Will not win the division if Newton doesn't start avoiding hits
7	AZ	This team learned nothing from 2015
8	CIN	Win @ PITT & start 2-0 in road games with a divisional win
9	OAK	The confidence they earned @ NO will last awhile; division winners
10	HOU	In that division take Osweller seriously
11	KC	First time in franchise history overcoming a 21 point deficit now onto Houston for a playoff rematch
12	TB	Road division wins are weighted heavily by the poll, so is winning Arizona
13	NYG	Still think they'll be much better this year beating the Saints is important if I'm right
14	JAX	Losing to GB is not bad, lack of running game & performance of Allen Hurnes was
15	MIN	Beat GB and I'll be impressed, score 0 offensive TD's against TENN I'm not
16	PHI	Win on Monday Night and they'll be 2-0 against BIG 10
17	BAL	They won but still looked bad
18	NYJ	Fitzpatrick played like he hasn't played much lately
19	DET	Matthew Stafford has 3rd highest completion percentage of career & did w/o Calvin Johnson
20	WASH	Losing to PITT is not embarrassing; having no plan for Antonio Brown is
21	SAINTS	how can you go this many years without a defense?
22	CHARGERS	brilliant play-calling to get the lead then went into a shell praying the clock would run out
23	DAL	entire franchise is a waste of time until the owner fires the GM
24	IND	BA will hate me but Chuck Pagano is just not a head coach
25	ATL	If you don't think that was a big loss, check their next 5 games
26	MIA	either let Tannehill throw the ball down the field or get a new QB
27	TEN	I think they'll play 15 close games and win 5 of them
28	SF	looked great, but so do I against LA
29	CHI	remember when Lovie Smith kept leading them to the playoffs
30	BUF	disgusting offense
31	CLE	deplorable offense
32	LA	offensive offense
