

NFL POWER POLL

PRESEASON - GOING INTO WEEK 1

Rank	Team	Comment
1	Cardinals	All the pieces are in place, now the only thing left to do is prove it on the field.
2	Packers	Healthy and with an elite QB in a division theirs for the taking, this team will be tough.
3	Patriots	Does anyone really think they won't win the AFC? 12 games of Brady is enough.
4	Seahawks	Offensive line could be this team's undoing, but if it's not, watch out.
5	Bengals	Always better than they should be. Having Dalton back will help.
6	Steelers	Arguably the best offense in the league if all pieces are there. Can they stop anyone?
7	Panthers	Benefit from playing in a weak division. Benjamin is back, but Norman is gone.
8	Vikings	Super Bowl contender with competent QB play.
9	Raiders	Good young QB, a running game, excellent WRs and a defense? Sign me up.
10	Jaguars	A popular pick to make a leap, so why not?
11	Broncos	Outstanding defense will probably be undone by horrific offense.
12	Redskins	Not sure how this team is good but helps that their division is bad.
13	Rams	The sun rises in the east and the Rams will be mediocre. These are facts of life.
14	Dolphins	Maybe this is the year they finally get things going.
15	Colts	Flopped last year with high expectations, maybe succeed this year without them?
16	Chiefs	Every year you expect them to struggle, and every year they seem to make a run.
17	Cowboys	I don't believe in Dak, but the rest of the roster is talented.
18	Buccaneers	If Jameis progresses, so too will this team.
19	Ravens	Joe Flacco's return should help, but not sure about the rest of this roster.
20	Jets	Good coach, good defense, serious questions at QB.
21	Bills	Looking forward to seeing if Tyrod Taylor is for real.
22	Texans	OK Brock, prove me wrong.
23	Saints	The steady decline continues this season.
24	Chargers	Philip Rivers is good. The rest of the team, not so much.
25	Giants	Simply not an Eli Manning fan. Him an most of the rest of the roster.
26	Falcons	Who is Matt Ryan? You'd think with him and Julio Jones they'd be better.
27	Titans	With Mariota, this team has potential to rise very quickly.
28	Bears	The NFC North is...wow.
29	Lions	They will look different without Megatron but not be any better than they were with him.
30	Eagles	Rookie QBs are rarely great in year one, and I don't believe Wentz will be the exception.
31	Browns	I'm actually a fan of RGIII and they have some pieces, but they are still the Browns.
32	49ers	I just can't believe that in 2016 a team is going with Blaine Gabbert in Week 1
