

NFL POWER RANKINGS

Adam Green

WEEK 2

Rank	Team	Comment
1	Packers	Got the job done on the road against what I think is a pretty solid Jaguars squad.
2	Patriots	Underestimated much? Efficiency they played with against Arizona was impressive.
3	Steelers	They can score points at will. Now, will they be able to defend competent offenses?
4	Cardinals	One loss does not ruin a season. Team has 15 games left to prove preseason hype was warranted.
5	Bengals	This is a very good football team. Can anyone stop A.J. Green?
6	Seahawks	The important thing is they won the game, but close victory at home over Dolphins may have exposed flaws.
7	Panthers	Was painful to watch Cam get beat up by a cheap-shotting Broncos defense.
8	Raiders	People like gutsy coaching decisions when they work.
9	Vikings	Hard to be sold on this team, but found a way to win Week 1 so it's a start.
10	Chiefs	Having to come from way behind to beat the Chargers at home is not ideal, but still, it happened.
11	Giants	Nice performance on the road to beat a Cowboys team that might be OK?
12	Texans	Nothing wrong with beating the Bears, though there is plenty wrong with the Bears. How good is Houston?
13	Broncos	Defense stepped up in Week 1 and offense did just enough. QB situation will be their undoing.
14	Jaguars	No moral victories but still a good effort against an excellent Packers team.
15	Dolphins	Played the Seahawks tough and should have won the game. Difficult team to figure out.
16	Buccaneers	Nice Week 1 win. If Jameis has taken his game to another level, watch out. AZ matchup will be telling.
17	Jets	Well, they almost looked like a decent team in Week 1.
18	Colts	Andrew Luck is great, but the rest of the team not so much.
19	Ravens	Forgive me for being unimpressed with a close win over the Bills.
20	Cowboys	Dak was solid in his first start, but losing to the Giants at home is not the way to start the season.
21	Redskins	I'm admittedly not a fan of this team at all, and they proved me right in Week 1. Last year = fluke.
22	Saints	Drew Brees is still good, but these guys are not stopping anyone anytime soon.
23	Rams	What the hell was that?
24	Lions	Good job getting a lead over the Colts. If only games were 30 minutes long.
25	Eagles	Not going to criticize them for winning in Week 1. Hard to picture many more victories, though.
26	Bills	Had moderate expectations for this team and after one week, they may fall well short.
27	Titans	Kept Vikings offense out of the end zone and still managed to lose. Impressive.
28	Chargers	Coughing up a big lead to the Chiefs is about what I'd expect from this team.
29	Falcons	It's going to be a long season in the ATL.
30	Bears	This is, quite simply, not a good football team.
31	49ers	Nice win over the Rams, I guess, but still can't buy this team as being any better than but one team.
32	Brown	May have blown their one chance to get a win this season. Bummed for RGIII
