

NFL POWER POLL

CRAIG MORGAN

WEEK 2

Rank	Team	Comment
1	New England Patriots	Are injections the secret to QB Jimmy Garoppolo's perpetual tan? He lives in Boston!
2	Green Bay Packers	If the Packers' D plays as well as it did in Jacksonville, the Super Bowl is possible.
3	Pittsburgh Steelers	WR Antonio Brown was nearly unstoppable against the Redskins.
4	Cincinnati Bengals	Bengals QB Andy Dalton was sacked 7 times by the Jets. That can't happen.
5	Seattle Seahawks	Offensive lines concerns are founded but Seattle's D is still money.
6	Denver Broncos	Denver's championship D got a little dirty in a win over Carolina.
7	Arizona Cardinals	Missing: Cardinals' 1st-team offense. Last seen for certain: Dec. 27 vs. Green Bay.
8	Kansas City Chiefs	Fantasy owners are scrambling to pick up Spencer Ware this week.
9	Carolina Panthers	Dear NFL: Stop covering your a** and start protecting Cam Newton.
10	Oakland Raiders	A win over the Saints wasn't pretty but, you know, just win, baby.
11	Minnesota Vikings	The D looked great. QB Shaun Hill, not so much.
12	Baltimore Ravens	CB Shareece Wright had 11 tackles, three for loss, in win over Bills.
13	New York Giants	The key to New York's past successes was D-line play. So far, so good.
14	Houston Texans	QB Brock Osweiler must progress, but he showed promise against the Bears.
15	Tampa Bay Buccaneers	Nice debut for Jameis Winston. On to Arizona to face an angry Cards' D.
16	Philadelphia Eagles	Tap the brakes on the Carson Wentz superlatives. He was playing the Browns.
17	Jacksonville Jaguars	Tough loss to the Packers, but the Jags looked vastly improved.
18	Indianapolis Colts	Why does the concept of defense continually escape this franchise?
19	Dallas Cowboys	The NFC East is a wide open race of mediocrity again.
20	Washington Redskins	Josh Norman isn't a shutdown corner if he doesn't move to shut down top WRs.
21	New York Jets	RB Matt Forte still has game left in those legs.
22	Detroit Lions	QB Matthew Stafford looked pretty darn good, albeit against a woeful Colts D.
23	Buffalo Bills	The run game averaged 2.7 yards per carry against Baltimore.
24	Miami Dolphins	Miami's defensive line put on a show in Seattle.
25	Atlanta Falcons	What do Atlanta sports fans have to feel good about?
26	New Orleans Saints	35 points allowed to the Raiders? So much for an improved D.
27	San Francisco 49ers	Are the Niners that improved or are the Rams that bad?
28	Tennessee Titans	Three turnovers in just under seven minutes spelled doom against the Vikes.
29	San Diego Chargers	WR Kennan Allen is out for the year. So are the Chargers.
30	Chicago Bears	The Bears' O-line couldn't protect Jay Cutler. Stop us if you've heard this before.
31	Los Angeles Rams	Is Jeff Fisher on borrowed time? At least that MNF showing wasn't the L.A. debut.
32	Cleveland Browns	LeBron and the Indians ease the pain.
