

NFL POWER RANKINGS

Week 3 Dave Burns

| RANK | TEAM | COMMENT |
|------|-----------|---|
| 1 | Steelers | Vikings defense is legit. With Bryant in the fold the Steelers have too many options |
| 2 | Chiefs | Somebody has Kareem Hunt in your fantasy league by now. Don't bother checking. |
| 3 | Raiders | The image of Lynch's funky dance is burned on my brain. |
| 4 | Falcons | Thought they were in store for Cardinal like hangover from a year ago. Hasn't happened yet. |
| 5 | Patriots | Brady took out his wrath on the helpless Saints defense. |
| 6 | Packers | Rodgers got beat up behind his offensive line but I think they'll be fine. |
| 7 | Broncos | Did what no one else has done so far, including the commish; shut down Zeke. |
| 8 | Seahawks | Wanted to drop them but check their history-they always start slow. |
| 9 | Ravens | Offensively they're running out of guys but their defense might be enough. |
| 10 | Bucs | I think Koetter's crew is going to have a great year. |
| 11 | Cowboys | Real flaws or just making them mad heading into UoP Stadium? Cheers to "real flaws" |
| 12 | Lions | Maybe that Cards loss in Week One won't look so bad when all is said and done. |
| 13 | Titans | Hello Derrick Henry. |
| 14 | Eagles | Went on the road and played a good Chiefs team tough and close. |
| 15 | Panthers | Cam doesn't look right so far. |
| 16 | Vikings | With Bradford they're higher than this. With Keenum they're lower. |
| 17 | Dolphins | Was that Jay Cutler pumping his fist a couple of times on Sunday? Wonders never cease. |
| 18 | Cardinals | I'm going to leave them here for now. Still many things to fix. Healthy bodies will help. |
| 19 | Redskins | Ran all over the Rams on Sunday, still don't think Cousins has anybody to throw to. |
| 20 | Texans | So far so good for Watson. |
| 21 | Rams | It's clear that getting rid of Jeff Fisher has made them a better football team. |
| 22 | Giants | 0-2 and the coach just blamed the QB. That will play well in the tabloids. |
| 23 | Chargers | A partially empty soccer stadium is a bad look for an NFL team. |
| 24 | Bills | Literally nowhere else to put them. They're not THAT bad but they're not that good either. |
| 25 | Jags | Make Blake Bortles beat you. Because he can't. |
| 26 | Saints | That offense is going to have to score 40 points a game for them to have a chance. |
| 27 | Bears | They're not booing. They're saying Truuuubisky. |
| 28 | Browns | Not the worst team in Ohio. |
| 29 | Bengals | The worst team in Ohio. |
| 30 | 49ers | Style points for hanging with Seattle in Seattle. |
| 31 | Colts | Andrew Luck should take his time coming back. |
| 32 | Jets | Not even close to an NFL caliber team. |
