

NFL POWER RANKINGS

Week 4 Dave Burns

RANK	TEAM	COMMENT
1	Chiefs	Kareem Hunt is that guy that every GM-real and fantasy-should have drafted higher
2	Falcons	Somebody find out what their cure is for a Super Bowl hangover because I want some.
3	Patriots	A dozen different reasons why that comeback shouldn't have happened. But it did.
4	Packers	Aaron Rodgers first OT win of his career? Seriously? Defense needs work.
5	Steelers	Think they'll be fine but LeVeon Bell's struggles continue.
6	Cowboys	Some of those throws on the run by Dak and you can see why they're excited about him.
7	Broncos	My dad in Denver thinks I shouldn't be surprised by loss. Western team, early start, good Bills D.
8	Raiders	Looked horrible vs. Washington.
9	Titans	Truly enjoyed watching them flatten Seattle's Legion of Whom (Doom).
10	Lions	About six inches away from a 3-0 start.
11	Vikings	Case Keenum killed it. I'll take things I never thought I'd write for 200 Alex.
12	Eagles	2-1 and 2-0 in the division. My worst to first pick looks good so far.
13	Seahawks	Russell Wilson threw way too many times to their liking I'm sure.
14	Washington	Just destroyed the Raiders O-Line.
15	Texans	The search for a QB in Houston may finally be over.
16	Bills	Impressive home win
17	Rams	Stole this from Franz: The only wins the NFC West has this are vs. the Colts and 49ers.
18	Bucs	Horrible day at the office for Jameis Winston
19	Jags	Maybe they should move to London. Apparently they play better with bad food.
20	Ravens	Flacco had 28 yards. 28.
21	Cardinals	Playing in such a shaky division is the only thing keeping me from freaking out.
22	Panthers	Cam just ain't right.
23	Saints	Nice win on the road but the Panthers team was an overvalued 2-0 team
24	Bears	It took me three seconds to realize that Marcus Cooper used to be OUR Marcus Cooper.
25	Bengals	Sorry. Not the worst team in Ohio. Carry on.
26	Dolphins	Nearly shut out by the Jets. Let that hang there for a minute.
27	Chargers	Lost in the Chargers-are-unlucky narrative is they are turning the ball over way too much.
28	Giants	Urine Big Trouble-New York Daily News Headline
29	Jets	Happy for Todd Bowles that it's not all bad.
30	49ers	Unexpectedly entertaining game last Thursday.
31	Colts	Were home underdogs to the Browns. The low point for any team unless....
32	Browns	...You're the Browns
