

# NFL POWER RANKINGS

WEEK 1 Luke Lapinski

RANK	TEAM	COMMENT
1	New England	Nice to see somebody new on top.
2	Seattle	Maybe they can get Sheldon Richardson to play on the o-line too?
3	Pittsburgh	Their offense is better than most fantasy teams. On paper, at least.
4	NY Giants	Receiving corps of OBJ, Brandon Marshall and Sterling Shepard should make Eli good again.
5	Oakland	Probably need either Richard or Washington to step up at RB alongside Lynch to truly push for a Super Bowl.
6	Atlanta	Bound to feel some after effects from that Super Bowl meltdown.
7	Green Bay	Sure if you like teams that use a wide receiver at running back.
8	Kansas City	Offense in flux but Andy Reid always gets points out of his teams
9	Dallas	Zeke's suspension is upheld... so he gets to play Week 1. Wait, what?
10	Arizona	Plenty of star power in Johnson, Filtz, Peterson, Mathieu and Chandler Jones.
11	Tennessee	Can't totally explain why I'm all in. I just am.
12	Carolina	Serious bounceback candidates, much like the Cards. McCaffery could be a true game-changer.
13	Denver	Return of the Osweiler.
14	Houston	Is it really this hard to get someone who can throw a football near DeAndre Hopkins?
15	Baltimore	Is there anything more exciting than Joe Flacco going 8-8?
16	Tampa Bay	May need to trade up and draft another kicker soon.
17	Minnesota	Dalvin Cook could make this a fun team.
18	Cincinnati	Well at least Burfict can't get himself suspended anytime soon.
19	New Orleans	Drew Brees can throw to anyone. And that seems to be their team motto now.
20	Miami	They play in a division with the Bills and Jets. That helps.
21	Detroit	Matthew Stafford made \$7 billion in the time it took you to read this.
22	Philadelphia	Good luck figuring out who their main running back is.
23	Washington	At least they handled the Kirk Cousins situation smoothly.
24	LA Chargers	No, "LA Chargers" doesn't look/sound/feel weird at all...
25	Buffalo	We're one step away from the entire offense running through Zay Jones.
26	LA Rams	Jeff Fisher could get 9 losses out of this team for sure.
27	Indianapolis	Could be truly awful if Luck misses significant time.
28	Jacksonville	So what if they don't have a quarterback. Don't judge.
29	Chicago Bears	Already kind of sick of Mitchell Trubisky and he hasn't even done anything wrong.
30	San Francisco	The Brian Hoyer Era has begun!
31	Cleveland	Still need an explanation for why they dropped Joe Haden.
32	NY Jets	If there were 33 teams, they'd be 33rd.
