

# NFL POWER RANKINGS

WEEK 3: LUKE LAPINSKI

RANK	TEAM	COMMENT
1	KANSAS CITY	Kareem Hunt's only on pace for 40 TD this season. No big deal.
2	NEW ENGLAND	Oh hey look - losing in Week 1 didn't destroy the Patriots' season. Shocker.
3	PITTSBURGH	And Le'Veon Bell hasn't even really done anything yet.
4	OAKLAND	Best point differential in football (+35) through first two games.
5	DENVER	Flashy or not, Trevor Siemian seems more than capable of stacking wins with this D behind him.
6	ATLANTA	They don't seem to be bothered by last year's Super Bowl meltdown at all.
7	BALTIMORE	Hard to get a true read on them because they've only played the Bengals and Browns so far.
8	CAROLINA	They've allowed a grand total of two field goals so far this season.
9	GREEN BAY	As long as they don't have to play the Falcons they're fine.
10	SEATTLE	Know what's fun? Not addressing the o-line and nearly losing to the 49ers. At home.
11	DALLAS	Ezekiel Elliott's new nickname should be Maximum Effort.
12	DETROIT	Made the playoffs last year and haven't lost this year. May need to start taking them seriously.
13	TENNESSEE	Derrick Henry coming off his best game as a pro (92 yards and a TD).
14	TAMPA BAY	Could be dangerous. Especially when they get Doug Martin back.
15	MINNESOTA	With Bradford they're higher than this, with Keenum they're lower. So stay tuned.
16	PHILADELPHIA	Only Brady, Rodgers and Brees have thrown for more yards than Carson Wentz this year.
17	ARIZONA	May have saved their season by converting that 3rd-and-20 play on Sunday.
18	WASHINGTON	Tough tests against the Raiders and Chiefs coming up in the next two weeks.
19	MIAMI	If Jay Cutler retired again right now, he'd have the best winning percentage in Dolphins history.
20	NY GIANTS	They should be better than this. But until they win an actual game, they're not.
21	HOUSTON	Averaging one TD per game. Guessing that won't get it done in Foxborough this week.
22	LA RAMS	Great news! Rams vs 49ers this Thursday!
23	JACKSONVILLE	Maybe they didn't win the Super Bowl in Week 1 after all...
24	LA CHARGERS	If Younghoe Koo misses a last-second kick but nobody's around in the stadium to witness it, does it count?
25	NEW ORLEANS	Only the Jets have allowed more points so far (66 to 65).
26	BUFFALO	And that win came against the Jets, so, you know...
27	CINCINNATI	They've scored nine points all season. With a little luck, they'll get to 10 before Halloween.
28	CHICAGO	The Bears are easing nicely into their role as worst team in the NFC North.
29	CLEVELAND	So does the Browns-Colts game ends up on RedZone at all this weekend?
30	INDIANAPOLIS	Jacoby Brissett > Scott Tolzien.
31	SAN FRANCISCO	Their kicker literally has all of their points this season. What else do you need to hear?
32	NY JETS	Well at least there's only 14 games left.
