

NFL POWER RANKINGS

Week 6 Dave Burns

RANK	TEAM	COMMENT
1	Chiefs	No change at the top. Chiefs are the clear class of the league so far.
2	Packers	Aaron Rodgers is either a magician or an assassin. Or both.
3	Falcons	Bye week and shake up at the top caused Falcons to fly north on my list.
4	Eagles	They're probably not this good but they're the top seed in the NFC right now.
5	Patriots	Silenced the masses with the win on Thursday. Lucky Folk missed three FG.
6	Seahawks	Tough win against a Rams team that gives them problems.
7	Broncos	Next up, the Chargers and the Giants.
8	Panthers	When he's not insulting an entire gender Cam is doing good thing on a football field.
9	Cowboys	What was Dak supposed to do? Go down at the one yard line?
10	Steelers	Big Ben is old and tired? Welcome to the party pal.
11	Rams	Done in by 5 turnovers. Would have had big early lead in the division if they had won.
12	Redskins	I wasn't going to put them this high but their two losses are to quality teams.
13	Jags	Maybe Calais made the right call after all.
14	Texans	Watson continues to open eyes. Real shame about the defensive injuries.
15	Lions	Good to see former Cards TE Darren Fells making a difference.
16	Raiders	Three game losing streak.
17	Bucs	A good team being undone by kicking woes. Sounds familiar.
18	Bills	Part of a big traffic jam on top of the AFC East.
19	Ravens	Defense forced Bills into a bad day.
20	Bengals	New Offensive Coordinator appears to be making a difference.
21	Vikings	When RG3 is tweeting about how injured a QB looks, you know it's bad.
22	Saints	AP is gone. Rearranging deck chairs or did they rid themselves of a distraction?
23	Titans	Been in free fall ever since the Seattle game.
24	Cardinals	Acquiring AP feels like a peronnel department Hail Mary.
25	Jets	Tied for first. Screen shot that while you can.
26	Colts	Both of their wins are against winless teams.
27	Dolphins	Offense has scored 3 TD in four games.
28	Bears	Trubisky was okay, showed flashes.
29	49ers	Rallied from down 23-9 to at least force overtime.
30	Chargers	Ends nine game losing streak dating back to last year
31	Giants	Number of out-for-the-season WR: 3. Number of wins: 0
32	Browns	1
