

NFL POWER RANKINGS

WEEK 9: VINCE MAROTTA

RANK	TEAM	COMMENT
1	Philadelphia	Keep on cruising, and now they pick up Jay Ajayi?
2	New England	I guess the defense is fixed? Giving up 12.8 points per game during 4-game winning streak.
3	Minnesota	Darkhorse MVP candidate: Case Keenum.
4	Seattle	Russell Wilson was Superman in win over Texans.
5	Pittsburgh	Doing it with defense -- opponents averaging 14 points per game during 3-game winning streak.
6	LA Rams	Fresh off the bye, can they handle a cross-country trip for early kick vs. Giants?
7	Kansas City	Alex Smith not great against Broncos, but did enough to win.
8	New Orleans	The Saints have very quietly won 5 games in a row.
9	Buffalo	One more win and the Bills are surprisingly bowl-eligible.
10	Dallas	I took a nap. What all did I miss about Zeke's suspension?
11	Atlanta	Broke a 3-game losing streak with a sloppy win in rainy Meadowlands.
12	Carolina	Having a hard time figuring this team out. I think Ron Rivera is too.
13	Jacksonville	Rested Jacksonville defense gets Cincinnati at home after the bye.
14	Green Bay	How much did Brett Hundley learn during the bye week?
15	Baltimore	Two shutouts this year for Baltimore defense -- haven't done that since 2006.
16	Tennessee	Hosting Baltimore, trying to win third in a row.
17	Houston	Somebody want to tell Bill O'Brien that Deshaun Watson is pretty good, and he can rely on him on big play calls?
18	Denver	The Denver Broncos --bringing you terrible quarterback play since 2015.
19	Detroit	After a 2-0 start, the Lions have lost four out of five.
20	Washington	The definition of average.
21	Cincinnati	Andy Dalton has a 100.0 QB rating over his last four games.
22	LA Chargers	Travis Benjamin's punt return vs. New England made me laugh out loud.
23	NY Jets	The Jets remain competitive, but keep losing.
24	Chicago	In Trubisky's two wins, he's averaged 11.5 pass attempts. Threw 32 times vs. Saints on Sunday -- and lost.
25	Oakland	Followed up their "season-saving" win over Chiefs with stinker on the road at Buffalo.
26	Miami	If Adam Gase says they've got the worst offense in the league, I believe him.
27	Arizona	Hey look -- another chance to get to .500.
28	Tampa Bay	Jameis Winston has five turnovers in the last two weeks.
29	NY Giants	Giants claiming they bought into their own hype in the first half of the year. Sound familiar, Cardinals fans?
30	Indianapolis	Does D'Qwell Jackson know something we don't know about Andrew Luck?
31	San Francisco	Eight straight losses, but they got Jimmy G!
32	Cleveland	Hue Jackson can't have complete support from ownership, can he?
