

NFL POWER RANKINGS

WEEK 13 : Luke Lapinski

RANK	TEAM	COMMENT
1	NEW ENGLAND	The Patriots really just need to move to a better division at some point.
2	PHILADELPHIA	...borderline unstoppable. Road games against the Seahawks and Rams in the next two weeks will give us a clearer picture though.
3	PITTSBURGH	Not exactly convincing against a depleted Green Bay team, but a win's a win.
4	MINNESOTA	How strange has this season been? Adam Thielen is third in NFL receiving yards (1,005).
5	LA RAMS	Snapped the Saints' eight-game winning streak just to prove a point.
6	NEW ORLEANS	Could end up with the offensive (Alvin Kamara) and defensive (Marshon Lattimore) Rookies of the Year.
7	CAROLINA	Even when Cam Newton doesn't look fully engaged, they still win.
8	ATLANTA	Third time Julio Jones has gone over 250 receiving yards in a game in his career. Which is, of course, insane.
9	SEATTLE	They flat out own the 49ers. So there.
10	JACKSONVILLE	Leonard Fournette was dominant until Oct. 15. He has 169 total rushing yards since.
11	TENNESSEE	It just feels like they play the Colts every week now.
12	KANSAS CITY	Maybe Alex Smith will be available this offseason after all...
13	DETROIT	Matthew Stafford's been good, but the Lions' inability to run (78.3 yards per game) isn't helping.
14	BALTIMORE	How excited would you be for a Ravens vs anybody wild card matchup? Me neither!
15	WASHINGTON	Still a game below .500, but at least they get the Cowboys next week,
16	LA CHARGERS	They're really going to win this division aren't they?
17	OAKLAND	Only Michael Crabtree is crazy enough to fight Aqib Talib.
18	BUFFALO	So playing your best QB gives you a better chance to win? Got it.
19	DALLAS	They are... not handling adversity real well right now.
20	ARIZONA	...couldn't you already take Gabbert over 7-8 of the QBs currently starting in the NFL? Not perfect, but at least he makes some plays.
21	CINCINNATI	Well they swept Cleveland so this season's a success.
22	GREEN BAY	By far the best game of Brett Hundley's NFL career (245 yards, 3 TD, 0 INT).
23	TAMPA BAY	Haven't come anywhere near having a 100-yard rusher this season.
24	NY JETS	They've quietly lost five of six - all by one score.
25	HOUSTON	Just imagine what DeAndre Hopkins can do over a full season with Deshaun Watson.
26	MIAMI	Wait, when did they win four games?
27	DENVER	Elway might just need to suit up at this point.
28	CHICAGO	Big game against San Francisco this week. Adjust accordingly.
29	INDIANAPOLIS	The Colts have somehow led or been tied at halftime in nine of their 11 games. They know there are four quarters, right?
30	NY GIANTS	If the tryptophan didn't put you to sleep on Thanksgiving, the Giants did.
31	SAN FRANCISCO	If Jimmy Garoppolo retired right now, he'd go down as one of the best QBs in 49ers history.
32	CLEVELAND	They've won four games since Nov. 23, 2014. How is that even possible?
